Dear DLA Families and Community Members:

We are pleased to present you with the Annual Education Report (AER), which provides key information on the 2022-23 educational progress for Detroit Leadership Academy High School. The AER addresses the complex reporting information required by federal and state laws. The school's report contains information about student assessment, accountability, and teacher quality. If you have any questions about the AER, please contact Josh Stewart, *Principal* or Michille Roper-Few, *Superintendent*, at 313.977.9178 if you need assistance.

The AER is available for you to review electronically by visiting the following website: [https://www.mischooldata.org/annual-education-report-1?Common\\_Locations=1-S,12972,1778,119](https://www.mischooldata.org/annual-education-report-1?Common_Locations=1-S,12972,1778,119) or you may request a copy in the Main Office.

For the 2023-24 school year, schools were identified based on previous years' performance using definitions and labels as required in the Every Student Succeeds Act (ESSA). A Targeted Support and Improvement (TSI) school is one that had at least one underperforming student subgroup in 2022-23. An Additional Targeted Support (ATS) school is one that had a student subgroup performing at the same level as the lowest 5% of all schools in the state in 2021-22. A Comprehensive Support and Improvement (CSI) school is one whose performance was in the lowest 5% of all schools in the state or had a graduation rate at or below 67% in 2021-22. Some schools are not identified with any of these labels. In these cases, no label is given.

Our school was identified as a Comprehensive Support and Improvement school.

Areas of improvement are summarized by an overall increase in student achievement across core academic areas. In guiding our students down this path, we have experienced challenges with reading and mathematics which impacts our students' achievement. To address these challenges, we make an intentional effort to use lesson plan development with teacher observation and feedback, cycles of data-based decision-making, and targeted interventions.

The school has also developed wrap-around support programs to provide students with social-emotional and attendance support needed to experience academic success.

State law requires that we also report additional information.

1. Our students come to us primarily from the Brightmoor and Cody-Rouge neighborhoods. Re-enrollment, typically a week-long period, begins at the end of February and ends in early March. Open enrollment is from March through September for the upcoming school year, and there is a student lottery in early May, if necessary. This process is designed to give all interested families an equal opportunity for their child to attend Detroit Leadership Academy. To apply, students must be a resident of the State of Michigan.

Academy enrollment shall be open to all individuals who reside in Michigan. Except for a foreign exchange student who is not a United States citizen, a public school academy shall not enroll a pupil who is not a Michigan resident.

- Academy admissions may be limited to pupils within a particular age range/grade level or on any other basis that would be legal if used by a Michigan school district.
  - The Academy shall allow any pupil enrolled in the Academy immediately preceding school year to enroll in the Academy unless the appropriate grade is not offered.
  - No student may be denied participation in the application process due to a lack of student records.
  - If the Academy receives more applications for enrollment than available spaces, pupils shall be selected for enrollment through a random selection drawing.
  - The Academy may give enrollment priority to one (1) or more of the following:
    - A sibling of a pupil enrolled in the Academy.
    - A pupil who transfers to the Academy from another public school pursuant to a matriculation agreement between the Academy and another public school that provides for this enrollment priority
    - A child, including an adopted child or legal ward, of a person employed by or at the Academy or on the Academy Board.
2. Our School Improvement or MICIP Team is involved in a comprehensive and continuous school improvement process. Our school improvement plan is up-to-date and current per the requirements of the State of Michigan School Improvement Office.

To achieve our academic-based goals, we have implemented four key levers. They include a strengthened balanced assessment system with data-driven planning practices, the implementation of a revised set of curricular resources with instructional Professional Learning Communities (PLCs) led by content experts to support teachers' unpacking of resources and backward planning, a district-wide teacher coaching system that includes frequent, continuous rounds of observation and real-time feedback, and a school-wide tiered literacy intervention system.

Regarding school culture, our staff has continued training in restorative strategies and trauma-informed instruction to refine our learning-focused culture. We believe that to grow productive young adults and safeguard learning time, it is imperative to develop students' abilities to rebuild and repair relationships when conflict occurs and recenter their attention on achieving personal wellness and academic goals.

Our goals for the next three to five years include strengthening our whole-child-focused Multi-Tiered System of Support (MTSS), which addresses issues of chronic absenteeism, social-emotional needs, student engagement, and academic support while continuing to grow our staff's skill set in the use of trauma-informed practices and high-quality instructional delivery.

3. Detroit Leadership Academy High School is a 9-12th grade campus authorized by Central Michigan University. We serve approximately 275 students from the Castle Rouge, Brightmoor and Cody Rouge neighborhoods of Detroit. In conjunction with local partners, the school's long-term vision is to serve as both a school and community support to students and their families. Our school mission is that DLA students will use their college degrees and careers to redefine what is possible by empowering future students and inspiring communities to become sustainable centers of educational excellence and innovation.
4. Detroit Leadership Academy High School follows State of MI Standards and the curriculum is Board of Education approved. To graduate, students must earn: at least 25 credits, including 4 years of English, 4 years of Math, 3 years of Social Studies, 3 years of Science, World Language, 1 year of PE and

Health, 1 year of Visual, Performing or Applied Arts, at at least 2 Electives. Students must complete all MDE-required assessments, including the SAT Exam during his/her junior year. A copy of the curriculum can be obtained by request in the Main Office.
